\*APR=Annual Percentage Rate. APRs range from 7.49% to 14.49%. The APR you qualify for is based on repayment period, your credit qualifications including residential status, credit and employment history and your vehicle's value, year and mileage if applicable. Refinances only available from other lenders. Payment example: If you borrow \$10,000 for 60 months at 7.99% APR, your monthly payment would be \$202.72.
